Dear Mr. Quakenbush:

Thank you for contacting the Department with regard to your proposal to construct a 0.748 acre pond at the property located at 999 Clarksville Rd S, Feura Bush. Based on the plan provided (prepared by Creighton Manning Engineering, LLP, dated July 7, 2020) and the resources identified, no permits from this Department will be required.

While no Dam Safety Permit is required for this proposed pond, Jennifer Ross, Assistant Engineer within the Department's Dam Safety Section, has offered to review and provide comments on the design.
